

Dan Culverhouse

British, 1968

Head of Supply Chain Management

Dan Culverhouse joined DKSH in January 2018 and was appointed Head of Supply Chain Management in October 2018. He has been instrumental in aligning the Supply Chain Management team according to a transformative agenda to drive the Business Units' strategic direction, operational excellence, and cost management, as well as to modernize DKSH's 160 distribution centers.

Dan Culverhouse has 25 years of Supply Chain Management experience with organizations such as M.H. Alshaya, TCC Global, and Tesco Group across various countries including Kuwait, Turkey, Czech Republic, Slovakia, Korea, and the UK.
