

Hanno Elbraechter

German, 1980

Head Business Unit Technology

Hanno Elbraechter has been Head Business Unit Technology and a member of the Executive Committee since September 2014. In this role, Hanno Elbraechter oversees 1,600 specialists (1,590 FTE) in 18 markets across Asia.

Before joining DKSH, he spent more than ten years at Deckel Maho Gildemeister (DMG) from 2004 to 2014 and was appointed as CEO Asia of DMG in 2009.

He is a member of the Board of Directors at Datacolor AG (SIX: DCN) since November 2018, and at Rudolph Research Analytical since October 2020.

Hanno Elbraechter graduated from the Ecole de Management (ESC) de Bordeaux, France, and University of Applied Sciences Muenster, Germany.
